Have you ever wondered what it would be like to be in the spotlight? All eyes on you, looking to you to see "Who's important?" and "What's cool?" and "What's next?"

David was more than just a little boy facing down Goliath. He was a husband, a friend and a king. He lived most of his life in the spotlight, and while it wasn't always pretty, the Bible says he was a man after God's own heart.

Your life is closer to Dave's than you might think. Join us at Granger Community Church for three weeks as we get an insider's view through media, music, drama and more.
